Subject: Amtrak Agreement /Voting Results

February 27, 2018

ALL NATIONAL AND ASSISTANT NATIONAL REPRESENTATIVES ALL AMTRAK LOCAL LODGE OFFICERS

Dear Sisters and Brothers:

Attached are the actual ratification numbers for each TCU craft voting on the Amtrak agreement. Please note, ratification results are still pending for the ASWC craft by TWU and UNITE-HERE.

Each National Representative will be advised of the results of each local under their jurisdiction. Locals may obtain information regarding their local by contacting their National Representative.

Obviously the agreement was well received by our Amtrak membership as reflected in the voting results. Moreover, the positive results have a lot to do with your individual support, because as the front line representatives you have an enormous amount of influence with the membership. I appreciate your efforts to move this process forward. This was a very difficult contract and I am truly relieved that it's over.

The numbers of members voting is consistent with the amount of participation we have seen in past Amtrak ratifications. While I would have liked to have seen more members participate, I take solace in the fact that every member received a comprehensive ratification package, every member was thoroughly informed throughout this process, and every member had the opportunity to vote.

Finally, during this process TCUTA@tcunion.org handled 146 ballot requests and 36 inquiries. In addition, we received numerous inquiries via phone and through TCUnion.org. Every member was responded to.

In solidarity,

Robert A. Scardelletti
National President
